

LU-Smart HD Mobile App - iOS Version

Last Modified on 12/03/2018 7:44 am ADT

Only visible to:

The LU-Smart HD Mobile App Solution for video professionals brings LiveU's bonded transmission technology to iPhone or iPad, combining Wi-Fi and cellular networks to reach optimal video quality.

NOTE: Requires a "Smart-Activated" LiveU license including a LiveU receiving Server.

Battery use disclaimer: This application uses GPS for location services. Continued use of GPS running in the background can dramatically decrease battery life.

What's New: Some optimizations for latest iOS 11.2.5 and few bugs fixes

Information:
